

Report

The P. G. Instructional Course was held from 21st to 24th Jan 2016 at Arihant Hospital & Research Centre, Indore (India) under the auspices of World Orthopaedic Concern (WOC) in collaboration with Orthopaedic Research & Education Foundation – India, Orthopaedic Association of SAARC Countries and Centre for Science & Society, Indore. 160 trainees from all over the country attended the course. 10 senior faculty members participated in the course.

Besides the lectures related to the clinical examinations and few others lectures especially on the common subjects like neglected neck femur, scoliosis, osteomyelitis, TB spine were also discussed. Keeping in view the examination pattern, other aspects like – OT design, Sterilization, Plaster technique, X-rays, Orthotics & Prosthetics etc. were also taken up in detail.

Students actively participated and presented large numbers of cases. Over all about 12 – 15 clinical cases were discussed every day.

The following students were awarded:

- Best short Case Presentation - Dr. Amitosh
- Best long Case Presentation - Dr. Manjul
- Standing first in orthopaedic quiz - Dr. Arun & Dr. Vijay
- Best Participation Award – Dr. Rajiv

7 trainees also became members of WOC

Every student was given WOC T- shirts and they all looked very smart

Few photographs are enclosed

The course was inaugurated by Prof. Hardas Sandhu of Amritsar (India) senior most orthopaedic surgeon of the country.

Dr. Alaric Aroojis, Paediatric Orthopaedic Surgeon from Mumbai (India) was the Chief Guest in the Valedictory function
